TERMS & CONDITIONS

Booking and cancellation policies

1.- The down payment for confirming a booking is 150 euros. In case the student requires a visa, the student will have to pay the full course price in advance so that the school can issue the corresponding letter of acceptance.

2.- If a student who does not need a visa cancels the course, the school will refund the following amounts depending on the time left until the start of course:

* Cancellations made a full week in advance (7 or more days) before the course starts: course fees will be fully refunded.

* Cancellations made less than a full week before the course begins: Course fees will be refunded (if they were previously paid), excluding the down payment (150 euros).

3.- If a student needs a visa, after our school sends the letter of acceptance, only a formal denial from the Spanish authorities would be accepted to cancel it. In this case, the school will refund 100% of the course and 100% of the accommodation fees, discounting the following service fees:

- In case of an acceptance letter for a long term visa: 300 €
- In case of an acceptance letter for a short term visa: 200 €

Any type of visa with a duration of 13 weeks or more that requires an acceptance letter is regarded as a long term visa. If the visa has been granted neither the price of the course nor the price of the accommodation will be refunded, and the case will be reported to the relevant authorities.

4.- If the course is interrupted once it has already begun, the school will not refund any amount for the remaining classes. However, the lessons in Hispania, escuela de español never expire, i.e. the students can attend all the hours purchased at a later date of their convenience, without having to attend them during the time initially established. The only exception would be for students holding a student visa, who will only be able to attend the lessons during the validity of the visa obtained. Once the time has expired, their course will finish and they will not be able to attend any more classes of the previous course, even in case of still holding unused hours.

5.- In no case shall the student be allowed to transfer or sell his/her class hours, nor change them to private classes or different courses.

6.- The student may choose to delay the beginning of the course to a later date of his/her convenience.

Arrival day

1.- All Students will be informed about the timetable for their first lesson via email. Students are asked to arrive at the school 45 minutes before the beginning of the first lesson so they can be welcomed to the school.

2.- Students with accommodation service:

- Standard Arrival: Students can receive the keys of the accommodation on the arrival day at the school from 16:00 to 20:00 hours.

- Smart Arrival: Students can go directly to the accommodation and a staff member from the school will welcome the student and handle the keys of the accommodation at the time of arrival (available from 09:00 to 21:00 hours).

- DeLuxe Arrival: A staff member from our school will welcome the student at the airport (train station, bus station...) in Valencia and will drive the student to the accommodation in a private car. The student will receive at this time the keys of the accommodation (available 24/7).

* Students with accommodation service will inform the school about date, time and trip details prior to their arrival.

* Students shall inform the school about any delays in the arrival. Maximum waiting time for the Smart or DeLuxe arrival will be 1 hour from the informed time. If the waiting time exceeds 22:00 hours, the night fee will be applied.

* Students arriving later than 21:00 hours must take a DeLuxe arrival or wait until 9:00 hours of the following day to go to their accommodation.

Medical Insurance

1.- Students may receive free medical attention from a doctor from the school if it is required, although the school will not cover any other medical costs. For this reason, each student must have medical insurance.

2.- If required, the school can provide medical insurance to overseas students.

Accommodation

1.- Our school acts only as mediator between students and property owners/hosting companies, in order to facilitate accommodation for students of Hispania. Our only role is as deposit takers of the payment made by the students and subsequently paid to the owners of the flats or hosting companies.

If there is any dissatisfaction regarding accommodation in which legal procedures need to be ensued, the school is not to be held responsible in any way. The full responsibility lies with the property owners or hosting companies, and not our school, which is completely unrelated. However, as part of the intermediary service our school provides, we guarantee to help students find new accommodation for no extra cost.

2.- The cost of the accommodation will be calculated on a weekly basis, from Saturday to Saturday. Students can, however, enter and exit any day they wish, having paid for the extra nights if the stay is extended after Saturday.

3.- Minors may not be accommodated in shared apartments, except if they do so with their instructors and under their legal responsibility.

4.- On arrival, the student's bedroom will always be available from 14:00 hours on Saturdays.

5.- Students must occupy the bedroom indicated by the school or the host family.

6.- A deposit of 100 euros is mandatory for students accommodated in a student flat or host family. Deposit refunds will take place on the last day, after the accommodation has been checked by a school staff member. Students will be asked to return the key and show the deposit receipt.

7.- On departure day, check-out time is at 11:00 hours, although students may use the common areas during the rest of the day. For students arriving on the weekend, check-out will always occur on Saturday. If students wish to leave the flat on Sunday, one extra night will be charged.

8.- In case of cancellation of the accommodation, our school will charge 15% of the cost of the accommodation cancelled plus the nights that the student was accommodated.

9.- It is mandatory to accomplish the rules of coexistence in the accommodation provided by our school.

Class attendance

1.- Please be punctual when attending classes in order not to interrupt your classmates or interfere with their learning. If there is a delay of over 15 minutes from the beginning of the class, the school may have given away the spot in the classroom to another student wanting to attend the class without prior reservation.

2.- Please be polite and respectful to your classmates.

3.- Eating is not permitted inside the classroom.

4.- The school may reserve the right to ask a student to leave the course if she/he does not follow the discipline rules. No refund would be made in this case.

5.- Classes need to be booked or cancelled at least two days prior to the lessons. It is not possible to book or cancel a lesson for the following or the same day. For more details, please read the Software Hispania Manual.
